**MEET OUR BOARD OF DIRECTORS:**

**Andrew Evindsen:**  
LMCA is happy to say, Andrew has agreed to stay in the President role for the 3rd consecutive year. Andrew, his lovely wife, Janet and their two boys moved to Langley Meadows a little over 8 years ago and since he has been a very active member (both in business and as a volunteer) of the Meadows Community and Langley as a whole.

**Leighann Dugan:**  
We are very pleased to have Leighann join us for her second year on the LMCA Board of Directors (and in her first in an executive position as Vice President). Leighann grew up in Langley Meadows and now, along with her husband, Mike, have lived in the area for the past 7 years. They have two children who both attend Langley Meadows Elementary. When Leighann isn't busy with work and her family she enjoys swimming and yoga.

**Lori Ebl:**  
Lori, her husband Jasen and their two kids are long-time residents of Langley Meadows. She brings to her role of Secretary a huge heart and many years of experience volunteering with the LMCA and holding executive positions on the school PAC executive.

**Denise Chenier:**  
Denise is a busy 'Baseball Mom' to her son, Nick. She and her husband, Kelly, have lived in the Langley Meadows neighbourhood for the past 12 years and are dedicated supporters of our community. We are happy to have Denise join us for her second year as a Member at Large on the LMCA Board!

**Caren Martin:**  
Caren has lived in Langley Meadows for over 20 years. She has raised three wonderful kids (all of whom attended Langley Meadows Elementary) and she and her husband, Dale, are 'parents' to their new puppy, Leo. After many years of volunteering at numerous LMCA and school events and activities, we are thrilled that Caren has remained as a member of the LMCA Board.

**Lindsay Standell:**  
Lindsay grew up here and now she and her hubby, Jay are settled in Langley Meadows to raise their beautiful and amazing twin girls as well. It is clear through her practices as a neighbourhood Realtor just how passionately she cares about our Community.

# RECAP!

**B-I-N-G-O-!**

April 20th marked our very first LMCA **Family Bingo Bonanza Night** and, by all accounts, it was a well-attended success! We had approximately 80 community members of all ages in heated competition, dabbling their way to some really fabulous prizes and gift baskets. A big thank you to everyone who supported or attended! Watch for more Bingo nights to come in the future!

**A Note from Lindsay Standell:**

One of my favourite annual events is the **LMCA Community Garage Sale** each May. I truly love hosting it for my neighbours in partnership with the LMCA. It's such a great way to get out and meet each other and uncover a few treasures too! A big thank you to all of our neighbours who participated whether as a shopper or seller, you are the reason this great event grows every year. In fact, this year growing to over 50+ sales going on simultaneously in the Meadows neighbourhood. There is a real sense of community here and I love being a part of it. Cheers,

*Lindsay*

# Weird Random Fact...

A man paid \$5 for a group of 5 paintings in Las Vegas in 2010. He decided to reframe one of the paintings and found an original sketch by Pop Art icon Andy Warhol hidden behind it. The sketch has now been valued at over \$2,000,000. What a bargain!
